The Williams Syndrome Family of Hope, Inc. is a grassroots non-profit organization that was formed by families for families. Our mission is to provide assistance, support, resources, education and financial assistance to those affected by Williams Syndrome.

We are dedicated to enhancing the lives of individuals with Williams Syndrome as well as raising public awareness of Williams Syndrome and its effects on individuals while bringing Hope to those living with this syndrome.

The inspiration behind creating the Williams Syndrome Family of Hope stems from a tiny handful of Williams Syndrome children who have died from complications of Williams Syndrome.

We refer to them as our Williams Syndrome Angels.

They have been set free from their intense physical suffering, transformed and released into the Heavens.

The butterfly is a universal symbol of Hope and transformation.

The butterfly has very special meaning to many of our families.

The seven dots on the wings of our butterfly's logo represent the deletion of genes on the #7 chromosome.

This is what makes us Differently Abled and Beautifully Perfect.

Hope is and Open Heart!

For more information on Williams Syndrome please visit us on Facebook at Williams Syndrome Family of Hope or online at www.williamssyndromefamilyofhope.org.

Donations can be made directly to the Williams Syndrome Family of Hope, Inc. at P.O. Box 2144 Tifton, GA 31793.
